Filing of Missing Parts

Sir:

Enclosed is a copy of a Notification of Missing Requirements dated April 1, 2002.

A Declaration of the inventors was previously submitted by First Class Mail on February 15, 2002. These documents were received on March 5, 2002, pursuant to the mail stamp of the USPTO. Copies of the papers submitted on February 15 and the return postcard are attached.

The Notification further indicates that an additional fee of \$111.00 is due for a small entity. Clarification is requested.

The filing fee submitted with the Request for Entry into the National Phase was calculated based upon a total of 17 claims, four independent claims and a multiple dependent claim.

The above calculations were based upon the claims of the Amended Claims attached to the International Preliminary Examination Report.

Accordingly, it is requested that the undersigned be advised of the basis for the calculation of an added claim fee for a total of 23 claims, of which six are independent claims.

Should any additional fees be required for this Application, please charge such to deposit account 03-0678.
